Office of Director Admiral Stansfield Turner  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Jim:

Just a note to thank you most sincerely for coming to Capitol Hill to brief the Illinois Agriculture Mission to the People's Republic of China. I certainly gained a wealth of information from the briefing, and I know the others did, too. Your patience with us and your willingness to spend so much time with us really means a lot to me.

Many thanks.

Sincerely,

Paul Findley  
Representative in Congress
